From Your President: As I begin my year as President of the Indiana Affiliate of AAFCS, I first reflect back on this past year. I need to thank Mary Sue Burkhardt, CFCS, for her wonderful year of leadership. She did a wonderful job and left me with big shoes to fill. For those of you that know Mary Sue well, that was NOT meant as a pun. I hope I can continue on with the same high standards Mary Sue had.

This next year promises to be a very exciting and challenging year for Indiana. A new AAFCS logo was unveiled at our National Conference in Cleveland in June, which in turn gives Indiana a new logo. Please take a look at the "new look" used on our E-News. This logo will now be used for our state. We will now be known as AAFCS, Indiana Affiliate. This allows Family and Consumer Science professionals to have uniformity across the United States. This uniformity will help alleviate some of the confusion of what family and consumer science is outside of our profession. In addition to the new logo, we are adding the motto – Connecting Professionals, Touching Lives.

Nancy Thompson, Judy Servies and their committees are continuing to put the final plans together for our State Conference, September 22 – 24. Be sure to mark these dates on your calendar. This year's theme is "New Challenges, New Solutions".

Many of you have not had the opportunity to attend an AAFCS National Conference. Hopefully that will change for you in June, 2012. The AAFCS National Conference will be held in Indianapolis. We are just at the beginning of the planning, but we will need everyone's help to pull this off and showcase our state.

As I initially stated, this year promises to be an exciting and challenging year. I look forward to seeing all of you at our State Conference in September. Be sure to let me know if you have any questions in regards AAFCS, Indiana Affiliate. *Wanda Hoover, President.*
